

**NORTH CAROLINA STATE GRANGE
PRIMARY-SECONDARY EDUCATION GRANTS**

AMOUNT:

Up to \$250.00 per application per school year. A student may make only one application per school year. The scholarship is not renewable.

PURPOSE:

The purpose of this scholarship is to assist with certain educational expenses for Grange families with school age children. Granges may also use this scholarship program as a membership building tool.

SCHOLARSHIP PARAMETERS:

The scholarship may be used for expenses such as field trips, band instruments, required athletic supplies not provided by the school, or project supplies in science, art, math, drama, etc. The program is intended to support a single event or a single purchase. It is not intended to cover expenses incurred throughout the school year.

If the scholarship is supporting an event, such as a field trip, it is preferred for those applications to be submitted prior to the event. If approved by the Education Grants Committee, the funds will be sent directly to the school. If the scholarship is for a purchase, applications may be submitted to the State Grange after the purchase is complete, along with appropriate receipts. All applications must be received by the State Grange no later than 30 days after the purchase or event.

REQUIREMENTS:

1. Completed application form.
2. Description of plans, costs, and needs.
3. If reimbursement is needed, receipts must be submitted with a description of the purchase or event.
4. Statement from the local Grange President or Secretary verifying membership in the local Grange for at least 6 months.
